

IM[®] v.360: Powered by Kiddom

When you use IM[®] v.360:
Powered by Kiddom, that's
when the real magic happens
with intuitive tech tools that
streamline lesson planning,
support teaching effectively, and
help you glean data insights.
And that's not all—we are
partners in your success through
unparalleled customer service.

Planning

Kiddom's technology helps you differentiate content in an intuitive, modern interface.

Delivery

Create custom assessments, synchronously teach, and more in Kiddom.

Reporting

Glean key insights, understand student learning needs, and adjust instruction.

Implementation

We're in your corner with 360° support, onboarding, and professional learning.

KIDDOM
Digital forward. Human first.
